

MASTERING YOUR SEWING MACHINE

MASTERING YOUR BERNINA class program is designed to give you the most enjoyment from your new BERNINA machine. This series is a must for all owners of CURRENT BERNINAS! If you purchased your machine from us, this series is FREE! Start with CLASS #1 & follow the schedule until you reach the final level for your machine. Each of you will receive a workbook that will take you through the program & create a handy resource for later reference. Upon completion of the entire series, you will receive a certificate, pin, & be known as a "BERNINA MASTER"! \$25 an hour to anyone who did not purchase their machine from Bernina Main Street. We are the only store in the area teaching the ENTIRE MASTERY SERIES from Bernette sewing machines to Designer Plus software.

Supplies for class: Your machine & all accessories, machine manuals, 3"- 4" 3 ring binder, plastic page protectors, highlighter, pencil, fabric glue stick, and basic sewing supplies.

WHICH CLASSES APPLY TO MY MODEL?

Class 1 – 7: Artista 185, 200, 730

Class 1—6: Aurora 430-440, Artista 165, 630, 640

Class 1 - 5: 135, 145, 153, 155, 230, 240

Class 1- 3 : all Bernette Sewing machines, 1008, 125, 220

We require that Class 1 & 2 be taken in order.

CLASS #1: GENERAL INFORMATION (one 3 hour class) SMT#1

This class is designed to teach you the parts of your machine, setting up & sewing, presser feet, accessing the stitches you want to use, needles, threads, stabilizers & interfacing, as well as the care of your machine.

CLASS #2: PRACTICAL STITCHING (one 3 hour class) SMT#2

Learn stretch seaming, hem & edging. When to use these stitches & what stitch is best for what fabric.

CLASS #3: PRACTICAL STITCHING II (one 3 hour class) SMT#3

Learn how to attach elastic, make button holes, sew buttons on, and insert zippers! Need some darning done? This class will help.

CLASS #4: DECORATIVE STITCHING (one 3 hour class) SMT#4

Gathering, pin tucking, double, triple, & wing needle stitching. Learn the technique of making entredoux.

CLASS #5: DECORATIVE STITCHING II (one 3 hour class) SMT#5

This class teaches pleats & pin tucking, scallops, lace insertion, fagoting, binding, fringing, & piping. If that's not enough, how about adding patchwork, quilting, appliqué, & surface embellishment?

CLASS #6: ARTISTA EXTRAS (one 3 hour class) SMT#6

In this class we will make a sampler using the multiple functions offered on your machine. We will also explore the Memory/Combi Mode & create a Memory/Sub-Divider Sampler. This class also contains a review of the Setup Program, Personal Program, Tutorial, & Creative Consultant features.

CLASS #7: ARTISTA EXTRAS (one 3 hour class) SMT#7

This class features all the different aspects of multi-directional stitching including monograms, quilt designs, and scallops.

Bernina Stitch Regulator/Embroidery Module Mastery Series

BSR

Come learn all there is to know about BSR! This class is for those who have an aurora 430, 440, 630, 640, 730, or upgraded 200. First half of the class we will be sewing with our BSR; quilting, freemotion embroidery, picture embroidery, and monogramming. Second half is just for those who own an upgraded artista. We will cover all of the great new features added to your machine when you upgrade. This class is FREE! (if you purchased your machine from us.)

#1: ARTISTA EMBROIDERY MODULE A must for all embroidery owners. Explore sizing designs, editing on screen, lettering as well as proper stabilizing & hooping techniques. This class can be taken at any time.

#2: ARTISTA EMBROIDERY MODULE Learn to use the small hoop while doing free arm embroidery. Plus embroidering multiple lines of text & words larger than 1 hoop.

Aurora Embroidery/Editor Lite

These classes help to familiarize the aurora owner with the embroidery capabilities of their machine and how to make use of the Editor Lite Software. **MUST BRING DONGLE to Classes!** Class #1 Emb. Module Basics & Quick Start Exercises Class #2 Editor Lite Software

Mastering Your Serger 2007

Supplies needed for class: Your serger, all accessories, manuals & books, 3" - 4" 3-ring binder, plastic page protectors, highlighter, pencil, fabric glue stick, basic sewing supplies.

CLASS #1: (one 3 hr. class) General information, proper threading techniques, basic serger functions, care & cleaning, & basic 4 thread techniques.

CLASS #2: (one 3 hr. class) More 4 thread techniques, attaching ribbing, serger piecing, demonstration of all extra presser feet that are available.

CLASS #3: (one 3 hr. class) Three thread techniques, rolled hems, flatlocking.

CLASS #4: (one 3 hr. class) First 1 1/2 hours of this class for everyone but 009 owners. Second half is for only 009 and 1300 series owners. This class covers all pertaining to cover and chain.

Artista Software Mastering Series

WE ARE A "BERNINA CERTIFIED" SOFTWARE TRAINING CENTER!

We have a computer classroom with Artista V5 software installed. You must have V5 software to be eligible for the free training. **Training is hands-on!** We have limited space in each software class. It may be possible that you will be turned away if the class is already full prior to the cutoff. It is important for you to sign up early! For those who have older versions, upgrades are available, at Bernina Main Street. Class is FREE if software was purchased at Bernina Main Street. Cutoff for sign-up is 3 days before class. \$25 per hour if software was purchased elsewhere. Please check the calendar for dates and times. **YOU MUST BRING YOUR V5 SOFTWARE DONGLE TO TRAININGS!**

Quarterly Software Society (QSS)

This is a monthly class, taking you beyond what your Software Mastery teaches you. We will be working on Faith Reynolds, Bernina Educator, Quarterly Software Classes (QSS), and add in other subjects of interest, i.e. stabilizers, how and when to use them. Jacie now has a core group participating in these hands on classes and they are enjoying learning and discovering all of the things that their software can do. Come and join in the fun! Please check the calendar for dates and times. **PLEASE BRING YOUR V5 SOFTWARE DONGLE!**
